Professional Experience

Radisson Hotel Fitness Center | Kansas City, MO

Nov 2025 – May 2026

Fitness Instructor

- Designed and led personalized and group fitness programs tailored to the diverse health and wellness goals of hotel guests and staff.
- Monitored participant exercise form, overall progress, and safety to ensure proper technique and minimize the risk of injuries.
- Assisted guests with the correct operation of fitness equipment and provided expert guidance on warm-up, cool-down, and optimal stretching routines.
- Supported and promoted overall wellness initiatives within the hotel's fitness services to enhance the guest experience.

PDS Children and General Hospital | India

Jul 2023 – Dec 2023

Physical Therapist Intern

- Conducted comprehensive physical therapy assessments and treatments for diverse patient populations under senior supervision.
- Participated actively in interdisciplinary team meetings to collaborate with physicians and healthcare professionals on optimized care plans.
- Educated patients and families on best practices for home exercises, pain alleviation, strengthening, and long-term rehabilitation.
- Administered targeted pain-relief treatments utilizing moist packs, foam rollers, soothing balms, and infrared lamps.
- Monitored, evaluated, and meticulously recorded patient progress in medical records to adjust ongoing therapy protocols.

Swekaar Upkar Physical Medicine & Rehabilitation Centre & Child Care Developmental Centre | India

Jun 2021 – Dec 2021

Physical Therapist Apprentice

- Assisted senior therapists in conducting comprehensive patient assessments to establish accurate clinical diagnoses.
- Administered prescribed therapy treatments utilizing safe manual therapy techniques and specialized therapeutic devices.
- Observed, tracked, and detailed subtle physical and emotional changes in patients within standard electronic medical records.
- Reported critical patient reactions to treatments to supervising therapists, facilitating timely adjustments to rehabilitation plans.
- Demonstrated strong professional initiative by proactively seeking out additional learning opportunities and complex case studies.
